- Web-based system for analysis of student results and for generating reports.
- Data can be exported as .XLS, .CSV, or PDF.
- Teachers can be assigned to student rosters so that they can access data for their students (only).
- Data in tables can be manipulated within the browser window without page reload.
- Secure website (SSL).

- MontCAS CRT and CRT Alt assessment window: March 2–25, 2009.
- All student information updates need to be uploaded in AIM by March 26, 2009 so that enrollment and program participation are reflected properly on the reports
- 2009 CRT results (Grades 3-8 and 10) to be posted on MARS - will be released on June 2, 2009.
- 2009 CRT-Alt results (Grades 4, 8 and 10) will be posted on MARS June 8, 2009.
- All content areas will be simultaneously posted (Reading, Math and Science).

**Measured
Progress**

- Access the Analysis and Reporting System via the Measured Progress iServices website:
<http://iservices.measuredprogress.org>
- Select 'Montana' or 'Montana ALT' from the state/contract dropdown menu and select Enter.

OPI

**Measured
Progress**

- At the Montana Client Services page, there will be a link for the Analysis and Reporting System (MARS).
- Select the link to launch the login screen.
- Login information for all users remains unchanged from last year. Login inquiries should go to OPI (Judy Snow or Karen Richem)

OPI

**Measured
Progress**

- At the school-level, there are only two account types:
 - o Principal Account
 - o Classroom Account (Teachers)
- Classroom accounts will be front-loaded by Measured Progress via the AIM system (Sort By field).
- Principals will have access to a report within MARS which will contain all Classroom Account login information.

OPI

**Measured
Progress**

- Principals may assign Classroom Accounts to their corresponding student roster groups (Student Assignment) within MARS.
